

Gaia WAT 90

Standard, CMYK-printable wet adhesive tape

PRODUCT INFORMATION

Product description

Gaia WAT 90 is a standard wet adhesive tape made from natural, smooth kraft paper and a starch-based adhesive. Gaia WAT 90 offers reliable strength and secure adhesion to various cardboard qualities.

Once bonded, it cannot be removed without damaging the cardboard surface, thus protecting against unauthorized access. Gaia WAT 90 can be customized using both flexographic printing and digital CMYK printing.

Application

Gaia WAT 90 can be used universally for sealing medium-weight shipping boxes. It can be easily applied using a special wet adhesive tape dispenser.

Storage conditions

Dry storage, avoid direct sunlight.
 Storage temperature +15 to +25 °C
 Shelf life up to 1 year after delivery.

Dimensions

Lengths	200 m
Widths	60, 70 mm
