

Lamia WAT 70

Standard, CMYK-printed water-activated tape

PRODUCT INFORMATION

Product description

Lamia WAT 70 is a standard wet adhesive tape made from untreated, smooth kraft paper and a starch-based adhesive. Lamia WAT 70 offers reliable strength and secure adhesion to various cardboard qualities.

Once bonded, it cannot be removed without damaging the cardboard surface, thus protecting against unauthorized access. Lamia WAT 70 can be customized using both flexographic printing and digital CMYK printing.

Application

Lamia WAT 70 can be used universally for sealing light to medium-weight shipping boxes. It can be easily applied using a special wet adhesive tape dispenser.

Storage conditions

Dry storage, avoid direct sunlight.
Storage temperature +15 to +25°C
Shelf life up to 1 year after delivery.

Dimensions

Lengths	200 m
Widths	60, 70 mm
Other dimensions on request.
