

Viper WAT 9730

All-purpose, CMYK-printed water-activated tape

PRODUCT INFORMATION

Product description

...

Viper WAT 9703 is an all-purpose applicable wet adhesive tape made from untreated kraft paper and a starch-based adhesive. The thread reinforcement and the double-layered kraft paper ensure outstanding strength. Viper WAT 9703 offers a reliable and secure bond on various cardboard qualities. Once applied, it cannot be removed without damaging the cardboard surface, thus protecting against unauthorized access. Viper WAT 9703 can be customized using both flexographic printing and digital CMYK printing.

Application

...

Viper WAT 9703 can be used universally for sealing medium-weight shipping boxes. It can be easily applied using a special wet adhesive tape dispenser.
